The Academy's programs offer some of its education through Distance Education online. Please see the course outline for details regarding the areas and percentage of those areas being completed through Distance Education.

1. Distance education will not be utilized as a method of delivery of clinical instruction in which the student is to perform practical applications on a live model and/or client.

2. The interaction with the instructor will be validated by regular measurable participation by clock hour in the academic programs. Participation will be documented within a log of all student activity comprised of comparative analysis of student academic performance through components of program curriculum semiannually (at a minimum) a record of regular and substantive interaction between student(s) and instructor(s).

3. A distance education assessment of student performance will be conducted on-campus by a qualified instructor at least once monthly with respect to any distance education completed within the preceding month.

4. Upon completion of all curriculum requirements, the student must pass a comprehensive academic and practical final exam (which shall be administered on-campus) to include any applicable competencies required by the state licensure agency prior to graduation from the program.

5. Prior to enrollment, students are provided with a disclaimer that academic achievement earned via distance education may not be accepted for reciprocity or eligible for licensure in other states. a signed and dated copy of this disclosure will be found in the student file.

7. The Academy estimates that approximately five business days may elapse between the Academy's receipt of student lessons, projects, or dissertations and the Academy's response or evaluation of the item(s) received.

In addition, please read the following:

- The student understands that any distance education through video/audio may be recorded.
- The attendance policy must be followed during on campus or off campus training. Students must be on

time and present for all scheduled distance education trainings otherwise the student may need to make up hours per the attendance policy.

- Student must be engaged 100% of the scheduled hours during Distance Education. Failure to show will result in an absence.

- Student engagement means that the student must work in one place, be on camera the entire time and attentive. Walking around, being on cell phones (other than for training purposes) will cause the student to be removed from training, which will result in a loss of hours. Students may not travel or shop during the training.

- If a student misses any time during a scheduled virtual training, the student will not receive credit for that time.

- The Satisfactory Academic Progress Policy must also be followed. Students must still maintain an 85% in grades and attendance and may not go over the maximum time frame.

- Student/Staff is aware of the technologies needed to complete the required portion of Distance Education. Which is as follows:

- MIND TAP/CIMA WHICH ARE THE ONLINE TEXTBOOKS, WORKBOOKS, LESSON PLANS AND TESTS

- The student or student's family member required medical attention that required the temporary withdrawal.
- The student appealed to the owners in writing and won the appeal.

The student will re-enter at the same SAP standing as when the student left and will retain the same attendance record as when the student left.

Students who withdraw and re-enter within 180 days will enter at the same tuition rate as when they withdrew until the student reaches the next checkpoint following re-entry, as listed on the SAP Policy.

If a student re-enters, for the remaining period of enrollment beyond the next closest SAP checkpoint, tuition will be at the then current level in the applicable catalog as of the date of re-entry. In the state of California, you must have a license from the Board of Barbering and Cosmetology in order to work as a Cosmetologist or Esthetician. The following takes into account:

CALIFORNIA BUSINESS AND PROFESSIONS CODE SECTION 480

(1) The applicant has been convicted of a crime within the preceding seven years from the date of application that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, regardless of whether the applicant was incarcerated for that crime, or the applicant has been convicted of a crime that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made and for which the applicant is presently incarcerated or for which the applicant was released from incarceration within the preceding seven years from the date of application. However, the preceding seven-year limitation shall not apply in either of the following situations:

(v) Division 4 (commencing with Section 10000).

(2) The applicant has been subjected to formal discipline by a licensing board in or outside California within the preceding seven years from the date of application based on professional misconduct that would have been cause for discipline before the board for which the present application is made and that is substantially related to the qualifications, functions, or duties of the business or profession for which the present application is made. However, prior disciplinary action by a licensing board within the preceding seven years shall not be the basis for denial of a license if the basis for that disciplinary action was a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, 1203.42, or 1203.425 of the Penal Code or a comparable

dismissal or expungement.

(e) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact that is required to be revealed in the application for the license. A board shall not deny a license based solely on an applicant's failure to disclose a fact that would not have been cause for denial of the license had it been disclosed.

(f) A board shall follow the following procedures in requesting or acting on an applicant's criminal history information:

(1) A board issuing a license pursuant to Chapter 3 (commencing with Section 5500), Chapter 3.5 (commencing with Section 5615), Chapter 10 (commencing with Section 7301), Chapter 20 (commencing with Section 9800), or Chapter 20.3 (commencing with Section 9880), of Division 3, or Chapter 3 (commencing with Section 19000) or Chapter 3.1 (commencing with Section 19225) of Division 8 may require applicants for licensure under those chapters to disclose criminal conviction history on an application for licensure.

However, a board may request mitigating information from an applicant regarding the applicant's criminal history for purposes of determining substantial relation or demonstrating evidence of rehabilitation, provided that the applicant is informed that disclosure is voluntary and that the applicant's decision not to disclose any information shall not be a factor in a board's decision to grant or deny an application for licensure.

(A) The denial or disqualification of licensure.

ACADEMY POLICIES

POLICIES

During the enrollment process, each student is given a copy of the Student Handbook and agrees to abide by The Academy policies including the standards of attendance, conduct, appearance and courtesy to all. All students attending The Salon Professional Academy must maintain Satisfactory Academic Progress (SAP), which is defined as reaching each checkpoint of training with an average theory and practical grade of 85% and 85% attendance. The Satisfactory Academic Progress Policy is given to students prior to signing an enrollment agreement.

ELECTRONIC SIGNATURE POLICY

Every person who is able to enter or alter information in an electronic record must be identifiable by name or another specific identification marker in the school's computer system or network that will enable the state of CA as well its accrediting body and the Department of Education, if necessary, to determine such person's identity and relationship to the school. This may be accomplished by means of an electronic signature. The Academy may be required to provide on demand a complete history of persons accessing a record, which shows each person who accessed the record, and the date and time of access, in chronological order, that directly connects such persons to their access to the record via a specific password or other similar identifying marker.

• An electronic record must be password-protected. The Academy must designate one or more staff persons, identifiable upon request, who know each record's password, whose access to the records for which they have a password can be audited, as provided above, who are responsible for the custody and safe-keeping of the passwords, and the records to which the passwords apply, and for not disclosing passwords to persons whom the school does not specifically designate to know them.

Persons whom The Academy does not designate to know a record's password should not be permitted to access that record. Schools need not password-protect each individual electronic record with its own password, so long as there is some password barrier between the record that is being accessed, and use of the password may be linked to access of the record, and to the person who accessed it. For example, an electronic record may be maintained within a part of a computer network which also contains other electronic records. A password may apply to this part of the network as a whole, so long as the person accessing a record within this part of the network using the password may be identified when the record is accessed.

• Schools may use electronic signatures in connection with their use of electronic records. However, in the case of enrollment agreements, in addition to complying with the regulations governing enrollment agreements, electronic signatures may only be used if a student, after signing the agreement, and before instruction begins, meets the agent who enrolled him or her in person, is presented with the agent's valid certificate, and is informed by the agent of the purpose of this interaction, and the agent's electronic signature is placed on the enrollment agreement.

• The Academy will maintain all student personally identifiable information in confidence and in accordance with all applicable privacy laws and regulations.

• If a given record is subject to one or more laws or regulations, The Academy using such a record in an

electronic form must comply with any such laws or regulations applicable to that record, as if it were *not* in electronic form, or as required by such laws or regulations if they apply to the record in its electronic form.

OVER CONTRACT CHARGES

If the student does not complete training by the contractual graduation date (completion date), an additional fee per clock hour will be charged until the required clock hours are completed. Per hour over contract charges per each program are as follows:

| | | | |
|--------------------------|--------------|--------------------------|--------------|
| Cosmetology (1000 hours) | \$15/hour | Cosmetology (1500 hours) | \$15/hour |
| Esthetics (600 hours) | \$23.25/hour | Esthetics (900 hours) | \$23.25/hour |

Taking days off can result in over contract fees. Days absent may not exceed the maximum time frame allowed to complete the program in accordance to the Student Satisfactory Academic Progress (SAP) Policy. If the student exceeds the maximum completion time frames permitted, the student will not be allowed to graduate from the program. Over contract fees are calculated the day after the student's contract graduation date (completion date) expires. Payment arrangements must be agreed upon by The Academy and the student at that time. All over contract fees must be paid in full prior to completion of hours. Over contract fees do not negate any current payment plans for tuition. Over contract fees may not be paid with Title IV funds or credit balances.

Over contract hours must be completed by the maximum time frame to complete the program as listed in the Satisfactory Academic Progress Policy. If these over contract hours are not completed with an 85% grades and attendance within the maximum time frame, the student will not be eligible for graduation. Student hours are posted weekly.

All monies received for over contract fees PRIOR to completion of the student's contract end date (completion date) are refunded if the student terminates prior to the student's contract end date (completion date).

DISMISSAL AND THE APPEAL PROCESS

A student who was dismissed due to unsatisfactory progress, may appeal the dismissal to an owner in writing. The student should refer to the Satisfactory Academic Progress Policy in the Student Handbook regarding the steps and timelines for appeal and probation. The owner will make a determination whether or not to accept the appeal. If the appeal is approved, the student will be re-admitted to The Salon Professional Academy at the same satisfactory academic progress status that she/he was at the dismissal. however; the student will still be on probation (if that is the status that she/he was in at dismissal) upon re-entry. The student must achieve SAP by the next checkpoint in order to remain enrolled at The Salon Professional Academy.

LEAVE OF ABSENCE POLICY

1. An authorized Leave of Absence (LOA) is a temporary interruption in the student's program of study.
2. The LOA refers to a specific period of time in which a student is not in attendance.
3. An LOA is not required during an institutional break, however; a scheduled break may occur during an LOA.

4. An LOA must meet certain conditions to be counted as a temporary interruption (LOA) instead of being counted as a withdrawal, which would then require The Academy to perform a withdrawal calculation.
5. The Academy will not assess the student any additional charges as a result of the LOA.
6. A student who must take an approved Leave of Absence (LOA) or must withdraw from training for nonacademic reasons may return to The Salon Professional Academy with no loss of SAP if the student was making SAP when the student left.
7. To qualify for an authorized LOA:
 1. The student must follow The Academy's Leave of Absence Policy when requesting an LOA.
 2. There must be reasonable expectations that the student will return from the LOA.
 3. The LOA must be requested and approved in writing according to The Academy's LOA Policy and prior to LOA occurring unless there is an unforeseen circumstance that would prevent the student from requesting in advance.
 4. The LOA request must be dated and signed by the student.
 5. The student must provide documentation to substantiate the LOA.
 6. The student is required to list the reason for the LOA.
 7. Emergency LOA, without prior written request, may be granted provided the student completes the LOA form and returns it to The Salon Professional Academy via mail or in person within a reasonable resolution of the emergency.
 1. The start date of the LOA would be the first date the student, due to an emergency situation, was unable to attend The Academy.
 2. The Academy documents the approval of an emergency LOA on the Leave of Absence Addendum form.
 8. A student granted an LOA that meets the criteria is not considered to have withdrawn, and no refund calculation is required at that time.
 9. A student may be granted a LOA for any of the following reasons:
 - 1) Emergency Medical Issues
 - 2) Military Requirements
 - 3) Jury Duty
 - 4) Mitigating Circumstances beyond the Student's Control
 - 5) Academy Staff recommendation
8. The day the student returns from a LOA the student is required to inform staff in the financial aid office and education office of their return.
9. A leave of absence extends the students contract period and maximum time frame by the same number of calendar days taken in the leave of absence without penalty to the student.
 1. All parties must initial changes to the contract period on the enrollment agreement or an addendum must be signed and dated by all parties to reflect the new contract end date.
10. If the student takes an unapproved LOA or does not return from an approved LOA, at the expiration of the LOA:
 1. The Academy is required to take attendance, therefore; the withdrawal date for the purpose of calculating a refund is always the last date of attendance as listed in the student's attendance records.

11. The Salon Professional Academy permits more than one LOA provided the total number of days of all LOA's does not exceed 180-calendar days in any 12-month period.
12. If a student needs an extension to their LOA, pending all 180-calendar days have not been used in prior LOA(s), the student must complete a new LOA request form, prior to concluding the current LOA, outlining the details for the requested extension.
13. If the student is receiving consumer loans and/or federal funding, no aid (consumer or federal aid funding) will be disbursed during the LOA.
14. If the student requesting an LOA is doing so during the foundations portion of their program, the return date of the leave must be set for a date that coincides with a fresh foundations cycle start.
15. An LOA must be for a minimum of 14 consecutive calendar days, unless the reason for the LOA is related to Covid-19. If the LOA is related to Covid-19, the minimum allowable length is 5 consecutive calendar days.
16. If the student does not return from the LOA, the student will be dropped from The Salon Professional Academy.
 1. The student's Title IV loans (if applicable) will enter into repayment 6 months from the students last date of attendance.
 2. Any consumer loan repayment will be per the terms of the consumer loan.

2. All students attending The Academy have the right to review their education records and request a change to their records, seek to amend inaccurate information in their records and to provide consent for the disclosure of their records.
3. A student should submit a written request to inspect their file to the admissions office. A separate

request must be submitted each time the student requests information from their file.

1. The Admissions Director will make arrangements for access and notify the student of the time and place where their records may be inspected.
2. These rules apply to all education records The Academy keeps, including admissions records, academic records as well as any financial aid records pertaining to the student.

Copies of records will be provided upon confirmation of reasons such as where great distance makes it is impossible for parents or eligible students to review the records.
 7. The Academy may charge a nominal fee for copies.
2. Parents or eligible students have the right to request that The Academy amend the records which they believe to be inaccurate, misleading or in violation of the student's privacy under FERPA.
 1. The request must be in writing and must clearly identify what they want changed or amended and give specifics as to why they feel it is inaccurate, misleading or in violation of FERPA privacy rights.
 2. The right to request an amendment is not provided to question fundamental judgments that are correctly recorded.
 3. If The Academy decides not to amend the record, the parent or eligible student will be informed and advise the student to their right to a formal hearing.
 4. Additional information regarding the hearing will be given to the student once the request for a formal hearing has been requested in writing.

 - The student is allowed to rescind her/his notification to withdraw in writing and continue the program upon written approval by the Academy Operations Director. (The Academy Attendance Policy allowable absences must be applied as applicable.) If the student subsequently withdraws, the date of determination is the original date of notification of intent to withdraw.
- The students last date of attendance is the date utilized on the R2T4 Worksheet to determine the outcome of disbursed or could have been disbursed Title IV aid for the student.
- A student is considered to be an unofficial withdrawal (for date of determination purposes) when the student does not provide official notification of his or her intent to withdraw and is absent for more than 14 consecutive calendar days.
- The R2T4 is calculated based on aid that was disbursed or could have been disbursed (post withdrawal disbursement) within the payment period timelines of the student’s scheduled attendance at the time of withdrawal.
- Payment period are dependent on the length of the program.
- The R2T4 calculation is mandated by federal law for students who have received financial assistance

under the Federal Higher Education Act (Federal Pell Grants or Stafford Direct Loan Program Subsidized and Unsubsidized Loans or the Stafford Direct Plus Loan Program) and who fail to complete the portion of their instructional program for which the funds were awarded and disbursed.

- If the enrollment is terminated at or before 60% of the scheduled hours of any payment period have elapsed, the R2T4 calculation may require the Student to return to the federal government a portion of the disbursed funds.
- If over 60% of the scheduled payment period has elapsed, no return of Title IV funds is due to the federal government. In addition, if the student has received Title IV funds from a credit balance, she/ he may be required to return a portion of the funds to the applicable program as a result of the R2T4 calculation.
- Title IV funds will be returned in the following order, contingent on the school's participation upon these programs: Unsubsidized Loans, Subsidized Loans, Direct PLUS (Parent), and finally Pell Grant.

 - 2. PRACTICAL TRAINING SKILLS

During the Educational Program The Academy will provide opportunities to the student to practice skin care and other cosmetology industry services. Recipients of such services may pay The Academy to receive such services. The student understands and agrees that these opportunities are to permit her/him to gain experience required under state law to achieve the necessary licensing and learn appropriate practical training skills including, but not limited to cleaning, laundry and inventory stocking. The student further understands and agrees that the student undertakes such opportunities as part of their practical training, knowing that they are for her/his own primary benefit, and that the student is not to be considered an employee of The Academy and is not entitled to any employee compensation or other benefits.

ALTERNATE PRACTICAL TRAINING

The student further understands that if she / he is not willing to be a student and undertake these above practical training skills voluntarily on these terms listed above, then she / he may request in writing as submitted to the Admissions Director, for The Academy to provide massage mannequins or other artificial means to practice such services as a student, at an additional cost therefore, to the student, based on the cost of providing such means for her / his request/benefit and The Academy will undertake to do so in accordance with its current policies and procedures that are in effect at the time of enrollment. If she / he chooses to practice on massage mannequins or other Academy provided artificial means during her / his training, she / he acknowledges benefits lost from practicing guest handling skills in the student salon training area. The additional cost will result in 20 massage mannequins or other artificial means at the cost of \$4999 The Academy provides for her / him that will comply with any state requirements and styling product costs of \$5999 associated with her / him practicing as preferred on massage mannequins instead of live guests that would reimburse The Academy for the practiced services that she / he would otherwise provide to the guest instead of to a massage mannequin or other artificial means. Currently, the total additional cost for massage mannequins and styling product costs in the amount of \$10998 will be charged for this choice.

PAYMENT PLANS

Payments may be made by cash, check, money order, credit card or through a non-federal agency, Title IV aid, or consumer loan programs. A monthly installment plan managed by an outside third-party student account

management firm may be available to those who qualify. The student is responsible for paying the total tuition, textbook and kit costs, and fees and for repaying any applicable loans plus interest.
